

**875 West End Avenue
Apartment Decorating Agreement**

Date: _____, 2010

To: Residence Re: Apartment No:

I hereby request permission to redecorate my apartment as described in the attached document, the Apartment Decorating Agreement Application (hereafter collectively referred to as the "work"), in the above apartment.

If such permission be granted:

1. I agree, before any work is begun:

(a) To provide you with a complete and conformed copy of every agreement made with contractors and suppliers

(b) To procure from my contractor, or contractors:

(i) Comprehensive personal liability and property damage insurance policies, each in the amount of \$1,000,000.00, which policies name 875 West End Apart Corp. (the "Corporation"), Orsid Realty Corp., (the "Managing Agent"), as well as myself, as parties insured. Such policies shall provide that they may not be terminated until at least ten days after written notice to you; and

(ii) Workmen's compensation and employees liability insurance policies, covering all employees of the contractor, contractors or subcontractors.

All such policies, or certificates evidencing this insurance, shall be delivered to you.

(c) To procure from my contractor or contractors a written agreement in the form of Exhibit A.

(d) To provide you with a security deposit in the amount of \$500.00 as security for my obligations hereunder. The Corporation shall be the sole arbiter in the determination of charges to be deducted from this deposit.

(e) To provide you with a check in the sum of \$100.00 payable to Orsid Realty Corp. as a processing fee in connection with this request and the Work, if applicable.

2. It is understood that:

(a) I assume all risks of damage to the building and its mechanical systems, and to persons and property in the building which may result from or be attributable to the work being performed hereunder and all responsibility for the maintenance and repair of any alterations and installations after completion. This responsibility covers all work, whether or not structural, weathertightness of windows, exterior walls or roofs, waterproofing of every part of the building directly or indirectly affected by the work, and maintenance of all heating, plumbing, air-conditioning and other equipment installed or altered pursuant hereto. If the operation of the building, or any of its equipment, is adversely affected by the work, I shall, when so advised, promptly remove the cause of the problem.

(b) I recognize that there will be no change in the operations of the building's heating system to facilitate the functioning of any heating units I may be installing.

(c) The alterations and materials used shall be of the quality and style in keeping with the general character of the building.

(d) I undertake to indemnify you, the Corporation, the Managing Agent and tenants or occupants of the building for damages suffered to person or property as a result of the work performed hereunder, whether or not caused by negligence, and to reimburse the Corporation for any expenses (including, without limitation, reasonable attorneys' fees and disbursements) incurred as a result of such work.

3. All permitted work shall be completed expeditiously and all work must be completed within 30 days. In the event the work is not completed within such period, the shareholder shall pay to the Corporation \$100.00 per day for each calendar day that the work remains incomplete.

4. No work shall be done, except between the hours of 9 A.M. and 5 P.M., Monday through Friday. No work shall be done on Saturdays and Sundays and holidays. Any work which can produce unusual noises, which might be disturbing to building occupants, shall only be done after 9 A.M., Monday through Friday.

5. All precautions will be taken to prevent dirt, dust and odors from permeating other parts of the building during the progress of the alteration. If, at the Corporation's discretion, dirt, dust and/or odors affect other areas of the Building, the Corporation may take such steps as it determines to be necessary to clean or sanitize the affected areas and the Shareholder will reimburse the Corporation for all costs and expenses. Materials and rubbish will be placed in barrels or bags, before being taken out of the apartment. All such barrels or bags, rubbish, rubble, discarded equipment, empty packing cartons and other materials will be taken out of the building and removed from the premises at my expense. I recognize that only the service elevator may be used for such removal and only at such times as the Superintendent of the building may direct. If the convenience of other tenants requires that the service elevators be operated on an "overtime" basis, I shall reimburse you for any wages or related expenses incurred in connection therewith.

6. I recognize that by granting consent to the work, you do not profess to express any opinion as to the design, feasibility or efficiency of the work.

7. My failure to comply with any of the provisions hereof shall be deemed a breach of the provisions of the Proprietary Lease, pursuant to which your consent has been granted, and, in addition to all other rights, you may also suspend all work and prevent workmen from entering my apartment for any purpose other than to remove their tools or equipment.

8. This agreement may not be changed orally. This agreement shall be binding on you, me, and our personal representatives and authorized assigns.

9. I shall cause my contractors and/or workers to use safe work practices during the work and take precautions to prevent the spread of dust and debris which may contain lead.

(a) Such practices shall include (1) limiting access to the work area to only workers, (2) covering the work area with six mil polyethylene plastic or equivalent, (3) protecting the workers, (4) protecting my belongings by covering or removing them from the work area, (5) wetting the painted surfaces before disturbing the paint and (6) wetting the debris before sweeping. My contractors and/or workers may not use unsafe paint removal practices, including (1) open flame burning, (2) power sanding or sandblasting (unless a special vacuum attachment is used to contain dust), and (3) dry scraping more than a *de minimis* surface area (*de minimis* means an area of less than one square foot per room).

(b) No more than sixty (60) days prior to beginning renovation activities in the Apartment, the contractor shall provide the Shareholder with the Environmental Protection Agency (the "EPA") pamphlet entitled, Protecting Your Family from Lead in the Home, (the "Pamphlet"). If the Apartment is occupied by other than the Shareholder, the contractor shall provide the occupant with the Pamphlet. The contractor shall be responsible for obtaining the Shareholder's or the occupant's written acknowledgment of receipt of the Pamphlet or a certificate of mailing evidencing same. The Shareholder hereby acknowledges that the Corporation has no liability or obligation in connection with this notification requirement of the EPA.

I shall cause my contractors and/or workers to perform specialized cleaning of the work area using methods designed to safely remove dust and debris which may contain lead.

I shall receive assurances acceptable to the Corporation from my contractors and/or workers that they have knowledge of lead-based paint hazards and they will perform the work and clean-up the work in a manner which will avoid creating lead-based paint hazards.

Annexed hereto is the "Work" document and a rider of ___ pages which is made a part of this agreement.

Very truly yours,

Shareholder
